

## FAQ/CLARIFICATIONS

### Nature of Job whether private or public?

Nature of job will remain in private. Job pool created by crIndia will be available for pvt sector at present. No public sector units has requested or enrolled with crIndia for recruitment process as of now. However crIndia's job pool is open for any organisation independent of its nature whether public or pvt to fulfil its staff needs. We certify candidates based on online computer based exams.

### Why an All India Job Pool

Given the fact that, organisations in pvt sector need staff immediately and cannot wait for year long recruitment exercises. Further, such organisations cannot conduct costly recruitment exercises on their own to select right skilled staff. Common online exam will be conducted to create an All India Job pool. Those candidates who will qualify in exam will become part of the Job pool. Once become the part of job pool a candidate will get topmost priority for job placement and can expect multiple calls from reputed organization/Institutions across the country.
